SAUVIGNON BLANC

2020

The signature elegance and flavour of our wines comes from high-altitude, cool-climate vineyards and five generations of winemaking tradition.

WINE MAKING

At vintage all parcels are pressed into tank and cold fermented cool to preserve aromatics and freshness. Small batches are kept separate to see how the vintage and vineyard sites express themselves. The best parcels of wine are then blended and bottled for release in winter each year.

VINTAGE + VINEYARD

2020 was a low yielding vintage due to damage to our wine region from the December fires. Our Gumeracha and Mylor vineyards were unaffected and the mild growing conditions were well suited to the variety producing premium fruit of great complexity and flavour intensity.

For the first time we have sourced an additional parcel of fruit from growers outside of the Adelaide Hills, however the wine has retained our signature style.
