PINOT GRIS

2023

The signature elegance and flavour of our wines comes from high-altitude, cool-climate vineyards and five generations of winemaking tradition.

Hamish & Kate Laurie

STYLE

A textural and full flavoured Pinot Gris with aromas of nashi pear, honeysuckle and subtle bakers spice followed by mouth watering sweet, white stonefruit and citrus with a plush mid-palate and textural complexity to balance the finish.

nashi pear · honeysuckle · white peach · citrus

VINTAGE

Above average rainfall and a cool Summer. Cool and dry conditions allowed us to keep fruit on the vines for longer to give greater complexity and flavour.

WINE MAKING

The fruit was picked in small parcels at differing levels of ripeness to produce a wine with fine structure and lifted fruit aromas.

Hand picked and whole bunch pressed, then partial barrel fermentation in older barriques to develop textural and savoury elements.

ENJOY WITH

Seafood or white meats, a great match with the classic roast chicken.
